How the Candle Bar Works

1

Choose your
mini candle

Select your favorite
ceramic vessel to create
your own mini candle.

2

Pick your
scent

Explore our curated
scent selection and choose
the one that speaks to you.

3

Personalize
your label

Add your name and scent
to a custom label that
makes it uniquely yours.

4

Collect your candle
after curing

Your candle is ready
to take home after it's
been poured and cured.

Our Candle Bar is a clean, drop-in event format.
Guests move through the experience at their own pace,
making it ideal for continuous guest flow at larger events.
